Next Chapter Meeting Reminder

CSEA members prepare for 91st Annual Conference

Hundreds of CSEA members are preparing to shape the union's future at CSEA's 91st Annual Conference, which will be held July 31 through Aug. 4 at the Paris Hotel in Las Vegas. Representing their local chapters back home, delegates will gather from all across California to vote on 18 resolutions, adopt one of two proposed budgets, elect new Association officers and set the course for the year ahead. In all, more than 2,000 delegates, leaders, staff and guests are expected to attend CSEA's biggest event of the year.

All conference delegates are CSEA members who are locally elected or appointed by members of the chapter they are representing. They will spend a busy week gathering information and casting votes on behalf of their chapter. In addition to the formally scheduled events, the conference offers members a unique opportunity to listen and exchange ideas, share problems and solutions, and network with colleagues from around the state.

President's Message

President's Message, August 2017

Welcome Back!

Where did the time go? It's hard to believe the beginning of another school year is already here!

For those of you returning from summer vacation, I hope you had a relaxing time off. For the 12-month employees, **THANK YOU** for all of your hard work getting things ready for the New Year!

As you probably already know, we ratified our successor contract for 2017-2020 in June, our 2% retro and 1% 1 time bonus and improvement to Longevity stipends should make their way to our paychecks soon. I'd like to personally thank each and every chapter member that came out to CF Brown to vote on our contract. The turnout was much larger than I anticipated and I truly appreciate that.

By the time you read this, Sylvan #73's elected delegates and I will have returned from CSEA's 91st Annual Conference which was held in Las Vegas from July 31st-August 4th. We will spend a week deliberating over CSEA policy and voting for new Association Officers. We'll also have time to attend some training classes during Education Days at Conference. A report on our various activities will be presented at the August Chapter Meeting.

Since this is a new school year, I encourage all of you to adopt a new school year resolution: Step It Up!

What do I mean by that? Well, no matter where we are in our journey as chapter members and school employees, there's always room for improvement of skills and knowledge and an increased level of participation.

So if you're a new employee, you can start by attending a chapter meeting! They are held the third Tuesday of August through May (with some adjustments for Fall, Winter and Spring Break) Dates are always posted at the sites or on Facebook, our blog and also in our Newsletter or even through our email blasts.

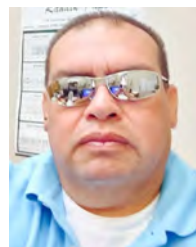

If you're a returning employee that has never been to a chapter meeting, resolve that this be the year you attend a meeting or two.

If you're already a regular meeting attendee, maybe this is the year you volunteer to attend one of the many trainings such as Know Your Rights or Site Representative training or maybe even Union Steward Training?

If you've been to CSEA trainings in the past, and attend

Steward's Report

WELCOME BACK

Welcome back everyone!

I hope you all had a great summer! Are you ready to get started again? I would like to say attitude is everything!

If you go in with a good attitude then you will continue with a good attitude through the year. If you go in with a bad attitude, that attitude will carry throughout the whole workforce. I asked at this time that we all go in with a good attitude and look for good in everything. It's is easy to look for bad stuff..

Again welcome back and I hope you have a great year!!!

We are here if you need anything!!!

meetings regularly then perhaps you're ready to fill one of the openings on our Negotiating Team or Executive Board? See me if you'd like to assist the chapter leadership and members in any way.

I will also be encouraging our current executive board and negotiating team to Step It Up as well.

With everyone's help, our chapter can continue to build skills, expand our knowledge and improve our communication, which will lead to better service to you, our members.

Let's make the 2017-18 School Year our best one yet!

It's in Our Contract

Q: I've just started with the district, what does it mean to be a "probationary" employee?

A: A newly hired employee must complete nine months of paid service to the district in order to become a "permanent" employee. During those first nine months of work, you should be receiving at least two evaluations from your immediate supervisor. (Contract 10.1) The most important thing to remember is that during the probationary period you are considered an "at will" employee and can be terminated for any reason, without the due process, progressive discipline or just cause rights that a permanent employee has. (Contract 21.1) As a probationary employee you enjoy all of the representational rights and benefits negotiated on behalf of all members by your CSEA Chapter. It is *your contract, too!*

(10.1) it's on page 28 and (21.1) it's on page 46

***Page number may change when contract is updated to reflect changes negotiated for 2016-2017.**

If you have any contract related questions, don't hesitate to contact a chapter officer for answers or you can email stewardsylvan73@gmail.com!

Birthday Corner

We would like to wish everyone who had a Birthday in June, July and August!

CSEA: A Voice for Classified

Representing more than 230,000 classified school employees, CSEA is a democratic union, governed completely by our members. With the power of CSEA, one single member can propose an idea for a new state law in a chapter meeting, watch it work through CSEA's democratic process, and potentially see that idea make it onto the floor of the Legislature and become a law with the stroke of the governor's pen.

CSEA is the collective wishes, values, goals and priorities of all our members. Our union is the megaphone by which the voice of few becomes the combined voice of hundreds of thousands, united by the common goal of improving the lives of our members, students and communities.

Are you sure you're a member of CSEA?

Many people believe they are full members, but turn out to be what is known as Service Fee Payers. You must sign and submit a form to become a full member of CSEA.

Don't miss out on the benefits of being a member. If you are unsure of your membership status, call (866) 487-2732 today.
